The following is the explanatory statement as required by the Listing Rules, to provide requisite information to you for your consideration of the Buy-back Mandate.

The circular also constitutes the memorandum as required under Section 239(2) of the Companies Ordinance.

1. LISTING RULES

The Listing Rules permit companies whose primary listings are on the Main Board of the Stock Exchange to buy back their fully paid-up shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(a) Shareholders' Approval

The Listing Rules provide that all on-market share buy-backs by a company with its primary listing on the Main Board of the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the directors of the company to make such buy-backs.

(b) Source of Funds

Buy-backs must be made out of funds which are legally available for such purpose in accordance with the company's constitutive documents and the laws of the jurisdiction in which the company is incorporated or otherwise established.

(c) Maximum Number of Shares to be Bought Back

A maximum of 10% of the issued shares of the company at the date of the passing of the resolution granting the general mandate may be bought back on the Stock Exchange.

The company must report the outcome of the general meeting called to consider the proposed buy-backs to the Stock Exchange immediately following the meeting.

2. SHARES IN ISSUE

As at the Latest Practicable Date, the Shares in issue comprised 2,304,849,611 Shares.

Subject to the passing of an ordinary resolution for the grant of the Buy-back Mandate and on the basis that no further Shares are issued or bought back prior to the Annual General Meeting, the Company would be allowed under the Buy-back Mandate to buy back a maximum of 230,484,961 Shares.

3. REASONS FOR BUY-BACK

The Directors believe that the Buy-back Mandate is in the best interests of the Company and its shareholders. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and its shareholders.

4. FUNDING OF BUY-BACKS

Buy-backs would be financed from available cash flow or working capital facilities of the Company and its subsidiaries, which will be funds legally available for such purpose in accordance with the Articles of Association and the Companies Ordinance. The Companies Ordinance provides that the amount of capital repaid in connection with a Share buy-back may only be paid out of the distributable profits of the Company and/or the proceeds of a new issue of Shares made for the purpose.

There might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited consolidated financial statements contained in the Company's annual report for the year ended 31 December 2023 in the event that the Buy-back Mandate was to be carried out in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the Buy-back Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels, which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous 12 months prior to the Latest Practicable Date and for the month of May 2024 up to the Latest Practicable Date were as follows:

	Shares	
	Highest Price	Lowest Price

Year 2023

June	0.335	0.280
July	0.320	0.236
August	0.280	0.216
September	0.360	0.200
October	0.320	0.206
November	0.260	0.187
December	0.212	0.131
Year 2024

March	0.135	0.092
April	0.142	0.091
May (up to the Latest Practicable Date)	0.170	0.123

6. CONFIRMATION

The Directors will only exercise the powers of the Company to make buy-backs pursuant to ordinary resolution no. 4 set out in the notice of the Annual General Meeting in accordance with the Listing Rules, the applicable laws of Hong Kong and the Articles of Association.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates (having the meaning ascribed to it in the Listing Rules), have any present intention to sell any Shares to the Company under the Buy-back Mandate if such is approved by the Shareholders.

No other core connected persons (having the meaning ascribed to it in the Listing Rules) of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Buy-back Mandate is approved by the Shareholders.

Neither this explanatory statement nor the Buy-back Mandate has any unusual features.

7. THE TAKEOVERS CODE

If on exercise of the powers to buy back Shares pursuant to the Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company will increase and such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Splendid Reach Limited (“**Splendid Reach**”), which was wholly-owned by Zhuguang Holdings, held 679,890,022 Shares, representing approximately 29.50% of the issued Shares (Note). Zhuguang Holdings was owned as to approximately 56.67% by Rong De Investments Limited, which was owned as to 36.00% by Mr. Liao Tengjia, 34.06% by Mr. Chu Hing Tsung (alias Zhu Qing Yi) (the chairman of the Board, a co-chief executive officer of the Company and an executive Director) and 29.94% by Mr. Chu Muk Chi as at the Latest Practicable Date.

In the event that the Directors exercise in full the power to buy back Shares which is proposed to be granted pursuant to ordinary resolution no. 4 set out in the notice of the Annual General Meeting, then (if the present shareholdings otherwise remain the same) the attributable shareholding of Splendid Reach in the Company would be increased from approximately 29.50% to approximately 32.78% of the issued Shares.

In the event that the Directors exercise the Buy-back Mandate in full, Splendid Reach would become obliged to make a mandatory general offer in accordance with Rule 26 of the Takeovers Code. It is not the present intention of the Directors to exercise the Buy-back Mandate in such a manner as to trigger off any general offer obligations. In addition, the Directors have no present intention to exercise the Buy-back Mandate to such an extent that would result in the Company failing to comply with the public float requirements under Rule 8.08 of the Listing Rules.

Note: For the purpose of this section, the shareholding percentage in the Company was calculated on the basis of 2,304,849,611 Shares in issue as at the Latest Practicable Date.

8. SHARE BUY-BACK MADE BY THE COMPANY

The Company has not bought back any of the Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
